

JOB OPPORTUNITY UTILITY LINE LOCATOR TECHNICIANS Position Based in: Lockport, NY

Heath Consultants, Inc is looking for good, hard-working and self-motivated people to fill several positions as Utility Line Locators. Heath is an 80 year old family owned company that provides various services to several of the largest utility companies in the nation. With opportunity to advance within the company.

Specific Job Duties include

- Reading utility gas/electric line maps that show where the gas/electric lines are positioned
- Using company equipment to trace where the gas/electric lines run
- Marking the lines with spray paint and flags
- Completing paperwork and taking pictures of the areas that the work was done at
- Working independently with minimal supervision.
- Responding to daily job orders via the computer program used to assign work
- Working outdoors in all weather conditions
- Prior experience is not required; we provide on the job training
- Some overtime and on-call is required.

In return, we have a compensation package that includes the following:

- Weekly pay starting at \$13.00 an hour for training, annual reviews with raise potential. Experience locators will be compensated based on experience.
- All safety and work equipment is provided.
- Company vehicle as well as a gas and maintenance card is provided (no personal use with the vehicle).
- Eligibility within 90 days for Medical/Dental/Vision/Supplemental insurance plans.
- After one year you are eligible for our 401(k) with employer match.
- 10 paid holidays and 5 days paid time off in the first year. 10 days paid time off each year after the first year.
- Company-issued cell phone.

Additional Requirements:

- Valid Driver's license and no more than two moving violations in the past three years.
- Pass a criminal background check as well as. Misdemeanors are generally acceptable. Violent felonies are automatically disqualifying as per our contract with our client. Non-violent felonies are evaluated on a case-by-case basis.
- Pass a DOT drug screen
- Basic computer literacy (all documentation is computer based).
